

SAN JOSE GOLF AND COUNTRY CLUB
SAN JOSE, CAL.

-----Sept 24, 1912.

To Members:-

At a meeting of the Directors of the San Jose Golf & Country Club, held on the evening of Sept 18th, this Club was merged into the new San Jose Country Club, and all property turned over to that organization. It was also decided by resolution that Dr. C. H. Walter and C. J. Cornell be a committee to expend any balance remaining in the Treasury in a way that will make a permanent record of this Club's existence.

Your dues for August and September will be paid to the present Club, as its existence will cease October 1st.

Very truly yours,

F. H. O'Keefe,
