

Dear Parents,

Welcome to the 2011 NCGA Summer Series Junior Golf Championship at San Jose Country Club.

San Jose Country Club is honored to be hosting this event. Current SJCC members and incoming NCGA President **Chris Clark**, U of A, and NCGA Board member, **Patrick Quinn**, SJSU, have played a key role in the presentation of this event. We thank the NCGA and its Juniors Tournament Director, **Tony Yick**, for running this event on our behalf.

San Jose Country Club has a rich and storied history of junior golfers who have played here and gone on to become leaders of business, professionals in the golf industry and professionals on the PGA tour.

Your children will be playing a golf course these next two days whose membership was established in 1899 and course built in 1912. SJCC is a proven leader with respect to junior golf.

Juniors who have grown up at San Jose Country Club and continue to make a career in golf, include; **Roger Maltbie**, SJSU, Five time PGA Champion and TV Golf Analyst; **Joseph Bramlett**, Stanford, 2011 PGA Tour rookie season; **Ray Otis, Jr.** UNR, PGA Class A Teaching Instructor; **Kevin Lozares**, NMSU, Teaching Professional; **John Ellis**, U of O, Canadian Tour Order of Merit winner; **John Collyar**, SCU, Canadian Tour; **Marc Braga**, CSUS, Director of Golf, San Jose Country Club; **Jason Green**, Cal-Poly – SLO, General Manager, San Jose Country Club.

Juniors who recently attended or are currently attending universities on golf scholarships include; Current course record co-holder (59) **Jay Myers**, SJSU; **Corey Utsurogi**, SCU; **Kim Bedolla**, SCU; **Nick Brassill**, Loyola of Baltimore.

San Jose Country Club - Junior Development Programs

SJCC Junior Acorn Camp

This program is designed as an introduction to golf for kids. The camp is a week-long four hour structured day designed to mix fun and learning of the basics of the game of golf. There are two camps offered during the summer months.

In his own words....

Team Johnson, a unique, Junior Development Program, was created in order to spend more time with junior golf students and help them reach their goals and potential. The participants receive both private and group coaching by myself, Bill Johnson, and my professional staff, observed practice and on course play, encouragement and incentive to advance to the next level and a few cool items from Nike! We are pleased that Nike Golf is advocating this program by providing discounted golf gear and apparel to Team Johnson students as they advance through the program levels.

Each junior is placed into one of four groups depending on their ability.

There are four levels. Level 1: Introductory, Level 2: Game Development, Level 3: Tournament Preparation and Level 4: College Preparation.

Bay Cities League is the premier, junior golf league in the nation. It consists of 28 private and semi-private golf clubs in the greater San Francisco Bay Area. Locations range from the Olympic Club to the West, Santa Rosa C. C. to the North, Oakhurst C.C. to the East, and Silver Creek Valley C.C. to the South. These country clubs are among the top ranked and most admired golf courses in California.

Our junior players range in ages from 7 through 21 (there is no lower age limit). Many of the juniors are the children and grand-children of club members. However, most clubs encourage participation of non-member juniors living in their community, who may not have had the opportunity to participate in such an elite golf program.

We welcome you to walk the halls of our club house, enjoy our hospitality, and stroll the golf course as a spectator.

If you have any questions, please feel free to ask our staff. – (408) 258-3636
